Next Level Surface Device Protection

MobileDemand's line of Microsoft Designed for Surface® (DfS) certified xCases provide peace of mind with next-level protection. Expand your production capabilities while protecting your investment with the proven rugged xCase for Surface Pro 8, Surface Pro, and Surface Go devices.

PROTECTION

Engineered for extreme durability, the xCase must pass rigorous military drop testing standards. Ingenious shock absorbing rubber corner bumpers and ridged shell along with sealed buttons and ports combine to offer ultimate protection in the most demanding environments.

MOUNTING

Unlimited mounting solutions are made possible with the exclusive snap plate, included with each xCase. Used in conjunction with MobileDemand's patented Quick Release Snap Mount System, mounting to desks, walls, vehicles, forklifts, tripods and so much more is simply a snap!

CONVENIENCE

Several convenient features come standard with each xCase, including an easy carry briefcase handle and back hand strap, our versatile snap mount rail and sealed ports for added protection from the elements. Premium accessories include easel and stylus holder with tether.

PRODUCTIVITY

Forward thinking modular design is engineered to work with several productivity enhancing tools including shoulder straps, easel, stylus holder, type cover and more. The xCase grows with the needs of its user, expanding its functionality and usefulness.

Standard and Premium xCase accessory options

Some amazing accessories are included with every case, but for those who want more functionality or anticipate utilizing a keyboard we suggest the Premium accessory option. Along with all the Standard accessories you'll also receive the adjustable easel, stylus holder and tether.

xCase	Accessories	
	Standard	Premium
A Rugged xCase	D Briefcase Handle	H Stylus Holder
B Snap Wall	E Back Hand Strap	I Adjustable Easel
C Port Protector	F Type Cover Loop	J Stylus Tether
	G Snap Mount

Two-Piece Construction

Extreme durability made possible by combination of PC/ABS hard plastic outer shell and silicone rubber boot that fully encases Surface device.

Snap Wall

Offers protection to bottom of Surface device, easily removed to accommodate type cover.

Protective Bumpers

Impact absorbing corner bumpers buffer all surfaces from impact. xCase was subjected to and passed the stringent MIL-STD-810 standard surviving 26 drops to all sides, edges, corners and faces with a single unit.

Clever Conveniences

Every xCase includes an easy carry briefcase handle and back hand strap along with patented snap plate for endless mounting solutions. Premium xCase comes with easel, stylus holder and tether.

Bolt-On Productivity

Engineered to work with several performance enhancing tools. The xCase conforms to the needs of its user, extending functionality and increasing productivity. Available on Surface Pro and Go only.

FEATURE-RICH PRODUCTIVITY TOOL

Achieve more with MobileDemand's ingenious xCase for Surface. Going far beyond just rugged protection, it's a useful, flexible, expandable, productivity enhancing tool for Surface devices.

Barcode Scanner, Magstripe Reader, PoS, and 3D Camera currently available on Surface Pro and Surface Go only.
